## ANNOUNCEMENT —

We wish to inform our customers that Don B. Creager is no longer connected with Quality Gladiolus Gardens.

This condensed price list does not compare with expensive, pictured catalogs in appearance, but we are not selling catalogs. We are selling highest quality bulbs at the lowest possible prices. Our reason for this is to make "glad" enthusiasts out of everyone. If you have not tried raising fine glads in your garden, you certainly have missed a lot of enjoyment. We include cultural directions in each order.

### **ALL BULBS TREATED — READY TO PLANT**

Bulbs ordered from this list come to you already treated with a combination fungicide-insecticide. We save you the muss, fuss, time, and money of dipping or soaking bulbs in a disinfectant before planting. When spring comes, all you have to do is open the furrow and plant.

### **TERMS**

**All shipments are prepaid by us.** Will use our judgment as to best method of shipment. No orders for less than \$2.00, please; we must make this request because of the present high cost of labor in preparing and packing orders for shipment. Please remit in full with order.

### **BULB SIZE**

Large bulbs mean 1¼" and up in diameter, not circumference.

### **DATE OF SHIPMENT**

When you order, please give approximate date you wish to receive your bulbs. Otherwise, we will ship to you early in the spring before planting time.

### **WHOLESALE LIST**

Our wholesale list is available to all who sell bloom or bulbs. Please write for it. Not all varieties on this list are available at wholesale prices.

### **BULBS FOR CHRISTMAS**

Does searching for just that "right" present present a problem? Don't look any further if he or she is a gardener, because a Christmas gift of big beautiful bulbs will hit the spot. If you want us to select the varieties, tell us what you want to spend and leave the rest to us. Sorry we can't gift-wrap them, but we will get them to you in lots of time to put under the tree for the big day.
